

DCMTK - Bug #1005

Describe "-" as special filename for stdin/stdout in --help output and man pages

2021-08-27 13:06 - Marco Eichelberg

Status:	Closed	Start date:	2021-08-27
Priority:	Normal	Due date:	
Assignee:	Marco Eichelberg	% Done:	100%
Category:	Application	Estimated time:	3:00 hours
Target version:		Compiler:	
Module:			
Operating System:			
Description Starting with commit #22bc42f51, the methods DcmFileFormat::loadFile() and DcmFileFormat::saveFile() recognize "-" as a special filename representing stdin or stdout, respectively. This should be documented in the --help output and man pages of all tools affected.
