DCMTK - Bug #1038

dump2dcm reads binary files without error message (on Windows systems)

2022-10-13 16:31 - Jörg Riesmeier

Target version:	3.6.8			
Module:	dcmdata		**Compiler:**	
Operating System:	Windows			

Description

On Windows system, dump2dcm (version 3.6.7) reads binary files (e.g. a DICOM file) without reporting an error. It even creates an invalid output file (as far as I remember).

This issue is not present on Linux systems.
