

DCMTK - Feature #137

multi-frame images with overlays (use of ImageFrameOrigin)

1999-05-25 00:00 - Jörg Riesmeier

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:		Compiler:	
Module:	dcmimble, dcmimage		
Operating System:			
Description			
currently no tests have be performed, need test images first			
Open question: is there any padding between frames? (see discussion in comp.protocols.dicom, 2004-09-02)
