Description
We received a patch from forum user Xiao to support threads in storescp. The patch is in share\dicom\contrib\20110729_xiao_getscu_and_storescp\ .

History

#1 - 2012-04-26 11:48 - OFFIS DICOM Team

- Tracker changed from Feature to Patch

#2 - 2013-10-13 21:19 - Jörg Riesmeier

- Category set to Library and Apps

- Module changed from all to dcmnet

It would certainly be better to add this feature to dcmrecv (i.e. based on the threaded version of the DcmSCP class).
