Here's another (possible) issue: <http://forum.dcmkt.org/viewtopic.php?f=1&t=3822>

#5 - 2014-01-18 15:23 - Michael Onken

And one more (-to option does not work): <http://forum.dcmkt.org/viewtopic.php?f=1&t=3902>

It seems to me that in `dulfsm.cc` the timeout struct handed to the `select()` function must be set to `NULL` in this code:

```
struct timeval timeout;
timeout.tv_sec = connectTimeout;
timeout.tv_usec = 0;
rc = select(s+1, NULL, &fdSet, NULL, &timeout);
```

See for example MSDN documentation: [http://msdn.microsoft.com/en-us/library/windows/desktop/ms740141\(v=vs.85\).aspx](http://msdn.microsoft.com/en-us/library/windows/desktop/ms740141(v=vs.85).aspx)

Maybe further code has to be modified.
