Operating System:			

Description

See the following URLs:

- <http://forum.dcmth.org/viewtopic.php?f=3&t=3613>
- <http://forum.dcmth.org/viewtopic.php?p=10993&sid=b112a49b73e892c058a629258012d733#p10993>
- <http://bugs.mysql.com/bug.php?id=18246>

(The MySQL solution is to call libwrap from C code instead of from C++)

History

#1 - 2012-12-04 09:33 - Uli Schlachter

- File patch added

#2 - 2012-12-04 12:48 - Uli Schlachter

- Status changed from New to Closed

Argh, that was easier than I expected. (Commit 148fc86171e0bee332a5fabd36d213f76e775a8b)
