Operating System:				

Description

In order to follow the new self-imposed requirement to always keep DCMTK up-to-date (see:
http://blog.jriesmeier.com/2011/06/dcmtk-always-up-to-date/), the final text version of Supplement 154 (Optical Surface Scanner Storage SOP Class) should be incorporated into the DCMTK ... and, please, don't forget to check for the corresponding Directory Record types!

History
