

DCMTK - Feature #735

Enhance crosscompiling for Android documentation

2017-03-23 11:38 - Jan Schlamelcher

Status:	New	Start date:	2017-03-23
Priority:	Normal	Due date:	
Assignee:	Jan Schlamelcher	% Done:	0%
Category:	Documentation	Estimated time:	0:00 hour
Target version:		Compiler:	
Module:			
Operating System:			
Description			
Cross compiling for Android isn't easy (lots of different versions, options and prerequisites). The documentation (currently only http://support.dcmthk.org/redmine/projects/dcmthk/wiki/Howto_CompileAndroid) should therefore be enhanced.
