

DCMTK - Feature #736

Move generating arith.h from build time to configuration time under Autoconf

2017-03-23 11:46 - Jan Schlamelcher

Status:	Closed	Start date:	2017-03-23
Priority:	Normal	Due date:	
Assignee:	Marco Eichelberg	% Done:	100%
Category:	Configuration	Estimated time:	0:00 hour
Target version:		Compiler:	
Module:	Autoconf, CMake		
Operating System:			
Description To ensure arith.h always reflects the latest configuration settings, generating it was choosen to be at build time for Autoconf, as the author was unable to implement the required logic that exists in CMake as m4 scripts. It turns out the resulting problems exceed the benefits, therefore, generating arith.h should also happen during the configuration phase for Autoconf.			

History

- #1 - 2024-05-26 13:30 - Marco Eichelberg
- Status changed from New to Closed
 - Assignee changed from Jan Schlamelcher to Marco Eichelberg
 - % Done changed from 0 to 100
 - Module changed from Autoconf to Autoconf, CMake

Closed by commit #867ec0cf3. arith.h is not required and not generated anymore.
