DCMTK - Bug #809

findscu's extract option overwrites "rspXXX" files when issuing multiple C-FIND request

2018-01-19 11:01 - Jörg Riesmeier

Operating System:			

Description

findscu's extract option overwrites the "rspXXX" output files when issuing multiple C-FIND requests during a single association. This is because the counter variable "responseCount" in DIMSE_findUser() always starts with 0.

History
