

DCMTK - Patch #821

Harmonize datatype for timeouts in DCMTK

2018-03-30 16:41 - Michael Onken

<b>Status:</b>	New	<b>Start date:</b>	2018-03-30
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Library and Apps	<b>Estimated time:</b>	0:00 hour
<b>Target version:</b>		<b>Compiler:</b>	
<b>Module:</b>			
<b>Operating System:</b>			
<b>Description</b>			
<p>The attached patched offers harmonization of the data used for timeouts throughout DCMTK. It introduces a type OFTimeValue, that internally uses the related system data type time_t.</p> <p>It needs to be checked whether the patch uses the new data type correctly, since some methods show different behaviour especially when confronted with values like -1 or 0.</p> <p>The patch has been generously provided by Michael Craggs (ITH icoserve).</p>
